Delphi

Designed by Boss

Conceived by Boss Design's team of design engineers over 25 years ago, Delphi is the Formula One of boardroom chairs. With an international reputation for ergonomic support, comfort and uncompromising British quality and design, its sprung steel frame, engineered seat and back with Pirelli webbing make it as comfortable as it is durable.

Available in both high- and low-back versions with a swivel or fixed base, it can be upholstered in a wide range of beautiful fabrics and butter-soft leathers.

Delphi Chair Collection

- Fully upholstered in any fabric or leather
- Available as a swivel chair or stackable visitor chair in high and low back configurations
- Gas height adjustment – 100mm
- Upholstered arm pads available
- Tilt mechanism
- High and Low-back options
- Stackable 3 high
